

Geoff Smith : Report 19/10/23

Seen by Dr. Jaou Rouge

Symptoms

Geoff had a wonky eye infection which was causing great pain. He also had a small fracture in his leg.

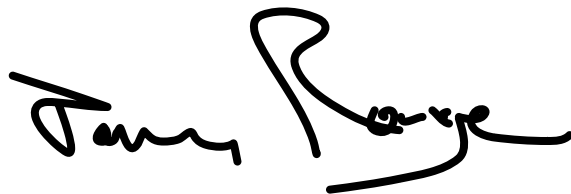

Cures

I have prescribed Geoff Antibiotics for his eye and we put his leg in a cast.

Return Date

We would like to see Geoff again in about a month

Doctor's Signature:

A handwritten signature in black ink, appearing to read 'Jaou Rouge', written in a cursive, stylized script.
